

Warranty for Sale of Parts Engine, Aircraft & APU Parts

AS IS	No warranty expressed or implied, except as to title. This condition has no return provisions of any kind.
GUARANTEED REPAIRABLE	No warranty, except that the unit is repairable. A repair cap must be agreed upon at the time of the sale. If the unit exceeds the agreed cap, the customer shall have the right to return the unit for full credit. Any unit that is returned must have the approval of KP Aviation. KP Aviation will allow forty-five (45) days from the date of shipment for the customer to determine the reparability of the unit and an additional fifteen (15) days will be allowed for return of the part. This return policy will become null and void after a total time of sixty (60) days from the date of shipment.
SERVICEABLE, INSPECTED, TESTED, OR REPAIRED	Thirty (30) days from the date of shipment.
OVERHAULED	No warranty except MRO's warranty will be assigned.
NEW SURPLUS	No warranty except OEM's warranty will be assigned.
FACTORY NEW	No warranty except OEM's warranty will be assigned.

All Returns must be received with an RMA Number issued by KP Aviation, in order for a credit to be issued or for the part to be replaced. Returns received without an RMA Number will be subject to a 75% restocking fee.
