

AN INTRODUCTION

**WE REMAIN GROUNDED
SO YOUR ASSETS CAN SOAR.**

WHO IS KP AVIATION?

Founded in 2001, KP Aviation is a leading international aftermarket aerospace material and services provider, specializing in mid-life status aviation assets. KPA has created a team of technically proficient, active problem solvers dedicated to providing customers with the right part, at the right price, and with the right paperwork every time. KPA is expanding with the goal of providing even more of the world's best airlines and aviation organizations with the most in demand assets "The KPA Way."

»

AEROAOG

KP Aviation is listed through AeroAOG. This gives further inventory visibility to airlines by streamlining the processes to purchase, exchange, report, and have transparent interactions. We have stock ready to go for your AOG needs, and the Aeroxchange advantage!

»

USM PROCUREMENT DEPARTMENT

As KP Aviation grows, so does our services! We have a USM Procurement team specializing in acquiring and managing Used Serviceable Material (USM). From Individual parts to APU’s, Landing gear, LLP’s, and surplus package deals, we provide strategic sourcing solutions to keep airlines and MROs equipped with cost-effective, reliable components.

Reach out to us today for assistance: Purchasing@kpaviation.net

»

PROCUREMENT DEPARTMENT INQUIRY

Beyond total asset acquisitions, we are actively purchasing USM at all levels, covering nose-to-tail solutions across Boeing, Airbus, CFM, CF6, PW, and V2500 platforms.

» AVSIGHT SUMMIT HOSTED AT KP AVIATION HEADQUARTERS

Five years ago, KP Aviation implemented AvSight to help streamline our operations and support our continued growth. Since then, it's become an integral part of our daily workflow, helping us stay

efficient, agile, and customer-focused. We're thrilled to be hosting AvSight's first-ever West Coast Summit this May—bringing together industry peers, innovators, and the AvSight team for a collaborative day of learning, connection, and forward-thinking conversation.

"Implementing AvSight in 2020 gave us the opportunities we needed both internally and externally in the industry. It has been a key driver of our company's growth, enhancing efficiency in our daily operations and enabling us to achieve our goals. We are honored to host this year's Western US Community Event and look forward to collaborating with fellow AvSight users to share insights and best practices."

– Jeff Hinxman, Director of IT

Over a number of years, KP Aviation has been a proud supporter of the ISTAT Foundation. "We find joy in what we do by investing in others and assisting in the growth of our industry as a family. Donating to the ISTAT Foundation is rooted in providing educational support, as we look to anticipate and meet aviation's future needs." - Kim Schulze - Principal

» EMBRY- RIDDLE SUSTAINABILITY CHALLENGE

KP Aviation Expands Sustainability Research Collaboration with Embry-Riddle students across all colleges and degree programs, with a focus on Aviation Business Administration. Our two current participant topics:

- Carbon Footprint Team – Focused on analyzing and reducing the environmental impact of aviation operations and component lifecycles.
- Green Supply Chain Team – Exploring innovative strategies for reuse and recycling of aircraft parts to drive sustainability in aviation.

We're excited to see how these teams drive forward new solutions in aviation sustainability!

» AV48 - ARIZONA'S AVIATION NETWORKING

Arizona's Aviation Network is growing, and we want you to be a part of it! AV48 is a group designed to connect aviation professionals and their organizations to others located in Arizona (State 48). All colleagues, customers, vendors, & local companies are welcome!
