

AN INTRODUCTION

**WE REMAIN GROUNDED
SO YOUR ASSETS CAN SOAR.**

WHO IS KP AVIATION?

Founded in 2001, KP Aviation is a leading international aftermarket aerospace material and services provider, specializing in mid-life status aviation assets. KPA has created a team of technically proficient, active problem solvers dedicated to providing customers with the right part, at the right price, and with the right paperwork every time. KPA is expanding with the goal of providing even more of the world's best airlines and aviation organizations with the most in demand assets "The KPA Way."

» AEROAOG

KP Aviation is listed through AeroAOG. This gives further inventory visibility to airlines by streamlining the processes to purchase, exchange, report, and have transparent interactions. We have stock ready to go for your AOG needs, and the Aeroxchange advantage!

» USM PROCUREMENT DEPARTMENT

As KP Aviation grows, so does our services! We have a USM Procurement team specializing in acquiring and managing Used Serviceable Material (USM). From Individual parts to APU's, Landing gear, LLP's, and surplus package deals, we provide strategic sourcing solutions to keep airlines and MROs equipped with cost-effective, reliable components.

Reach out to us today for assistance: Purchasing@kpaviation.net

» PROCUREMENT DEPARTMENT INQUIRY

Beyond total asset acquisitions, we are actively purchasing USM at all levels, covering nose-to-tail solutions across Boeing, Airbus, CFM, CF6, PW, and V2500 platforms.

KP Aviation has proudly supported the ISTAT Foundation for many years, aligning with their mission to unite aviation experts and shape the future of our industry through education and collaboration. As a company rooted in innovation and sustainability, we're committed to helping grow the next generation of aviation leaders through scholarships, outreach, and strategic industry partnerships.

JOIN OUR TEAM

We're actively seeking enthusiastic aviation professionals to join our vibrant team and help shape the future of our industry! Explore the career opportunities listed below and take the first step by hitting that apply button today!

» [Click here for LinkedIn postings](#)

» [Click here for ZipRecruiter postings](#)

EMBRY- RIDDLE SUSTAINABILITY CHALLENGE

KP Aviation Expands Sustainability Research Collaboration with Embry-Riddle students across all colleges and degree programs, with a focus on Aviation Business Administration. Our two current participant topics:

- *Carbon Footprint Team – Focused on analyzing and reducing the environmental impact of aviation operations and component lifecycles.*
- *Green Supply Chain Team – Exploring innovative strategies for reuse and recycling of aircraft parts to drive sustainability in aviation.*

We're excited to see how these teams drive forward new solutions in aviation sustainability!

OYSTER AERO LISTINGS

Navigating the aviation space can be challenging—but you don't have to go it alone. KP Aviation is proud to utilize Oyster Aero, joining their growing network of trusted aviation service providers. Explore our available parts and packages through their platform and easily connect with our team to support your next transaction.

AV48 - ARIZONA'S AVIATION NETWORK

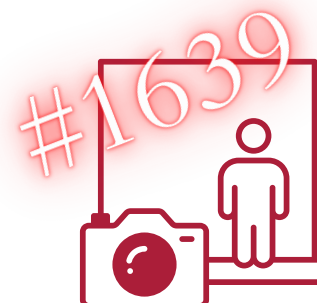

Arizona's Aviation Network is growing, and we want you to be a part of it! AV48 is a group designed to connect aviation professionals and their organizations to others located in Arizona (State 48). All colleagues, customers, vendors, & local companies are welcome!

Click the icon to stay up to date on events happening in 2025!

MRO EUROPE

KP Aviation is heading to MRO Europe in London this October, and we're excited to connect with industry partners from around the globe. Stop by Booth #1639 to meet our team and learn how we're supporting smarter, faster aviation solutions.

Don't forget to follow us on social media for updates and a chance to win exclusive giveaways throughout the conference!
